

The Millis Garden Club \$1,000 Janice Simpson Scholarship

The 2022 scholarship is being offered in memory of Janice Simpson, beloved long-time Millis Garden Club member and former Millis teacher.

Criteria: The Millis Garden Club INC. offers one \$1,000 scholarship for undergraduate students (including high school seniors who will be college freshmen in the fall) and any students who are presently attending accredited colleges and universities.

This scholarship is offered to students who will be majoring in the following:

Horticulture, floriculture, landscape design or architecture, conservation, forest/agronomy, city planning, environmental studies, land management, botany, biology and renewable energy/allied subjects.

Applicants must have maintained a legal residence in Millis MA for at least one year, have a minimum “B” average (3.0 on a 4.0 scale), have good character, and have financial need.

Please indicate how your extracurricular activities and interests relate to the guidelines of the scholarship. Include any gardening, conservation or other related experiences (Limit 300 words).
